TEAM MEMBER PRICING

Pricing is defined by the number of full Dynamics 365 users licensed for our products. That total determines the appropriate Team-Member pricing we can provide to you. The tiers are outlined in the table below.

Team Member Price Package (10 team members per package)		
Packages	**Monthly billing cycle**	**Annual billing cycle**
XS - Small (1 – 30 users)	$ 10.50	$ 115
Medium (31 – 80 users)	$ 6.25	$ 65
M (80 – 140 users)	$ 5.00	$ 55
XL (> 141 users)	$ 4.25	$ 42.50

Example: 70 full users and 320 team members

The 70 full users require a full license of our product defining the team member price to be:

$ 6.25 paid month to month   **OR** $ 65 if paid annually   for a package of 10 team members.

In order to cover 320 team members, you will need 32 packages giving a total of:

$32 \times 6.25 = \$ 200$ paid month to month   **OR** $32 \times 65 = \$ 2,080$ if paid annually
